

STEP 1 CHOOSING A PROGRAMME

A. The first step is to choose the programme aligned to your career plans and educational background. You can browse through the programmes at this following links:

Programmes by coursework (Master only):

http://www.sgs.upm.edu.my/program_pengajian/programme_by_coursework-4574

Programmes by research Master/PhD):

http://www.sgs.upm.edu.my/program_pengajian/programme_by_research_phd_master-4568

B. Read the academic requirements to make sure that you have the right qualifications. You are advised to look at the faculty's website for more details on your programme and research themes. Admission are very competitive and you should make sure have achieved, or achieve, at least the minimum grade before apply.

C. For international candidate, you need to read the English Language requirement and meet that requirement before coming to UPM to register. It is mean that you still can submit the application without attaching the English language proficiency result.

D. UPM has two type of offer letter and table below will explain the type of offer according to the candidate situation:

Academic Requirement	English Language Requirement	Type of Offer
Graduated Bachelor/Master's degree with good standing result	Not meet the required score	Provisional
Final year student of Bachelor/Master's degree with good standing current result	Not meet the required score	Provisional
Final year student of Bachelor/Master's degree with good standing current result	Meet the required score	Provisional
Graduated Bachelor/Master's degree with good standing result	Meet the required score	Full

STEP 2 BEFORE YOU APPLY

A. Check the [tuition fee](#) and [financial assistance](#) available in the website. The tuition fee subject to change from time to time without any prior notice. You should check the latest tuition fee at least a month before the commencement of the semester.

B. The university, supervisor, lecturer and programme coordinator are not responsible for securing financial support for your study.

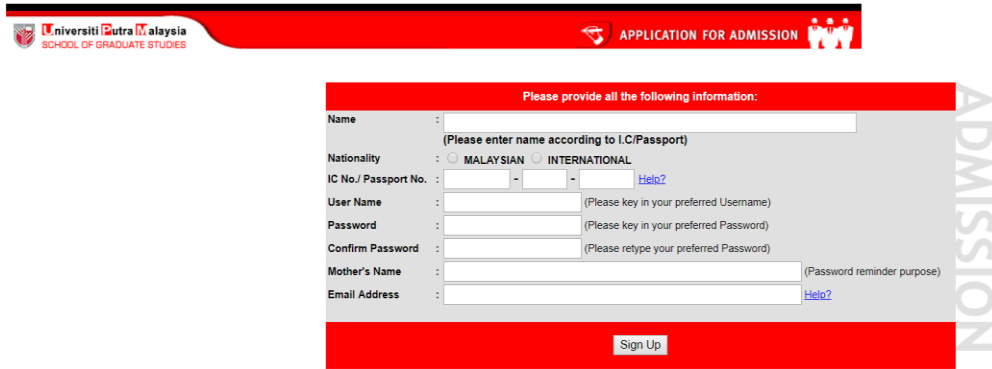

C. Read through all information of this Application Guide and programme page to make sure you send all the right documents and information when you apply.

D. Application is open throughout the year but check the deadlines for each semester intake and plan your time to submit your application well in advance.

Intakes	Closing Date	Registration Date
First Semester (Every September)	30 June	End of August
Second Semester (Every February)	30 November	End of January
